

“WHAT IN THE WORLD IS GOING ON?”

Pastor Mark Johnson

INTRO: I'll be sharing my fallible perspective [Disclaimers]. This is about good and evil, light and darkness (Isa. 5:20).

A BIBLICAL FOUNDATION: Expose works of darkness (Eph. 5:11). Beware of deceitful philosophies (Col. 2:8).

• Suppressing truth and rejecting God causes people to take on a spirit of stupidity (Rom. 1:18-32).

I. THE UKRAINE WAR

- A. Ukraine is not innocent, nor are they a democracy.
- B. The U.S. support is costing more lives in a losing effort.
- C. It's about money, provoking Russia & weakening the U.S.
- D. America should not be involved in this war (Prov. 26:17)!

II. THE BORDER CRISIS

- A. This is weakening America, draining our resources, and endangering U.S. citizens (drugs, human trafficking, etc.).
- B. This is about buying votes & changing America (1Tim. 5:8).

III. THE CLIMATE CRISIS

- A. Much of what we've been told isn't true and isn't science.
- B. This is largely about money, control (social credit score) & weakening America. Why aren't *They* setting an example?
- C. This is currently unsustainable!
- D. God created the planet for humanity, not vice versa!
- E. Save the planet by sacrificing the citizens?
- F. Does the planet need saving (Gen. 8:22; 9:12-17)?

STATEMENTS: These things are intentional, connected and about money, control, and weakening America.

WHAT SHOULD WE DO ABOUT ALL THIS?

1. Fear not! Feed your faith and starve your fear.
2. Pray with faith, persistence and discernment.
3. Love and treat everyone with kindness and respect.
4. Become informed (be a good steward of your time).
5. Focus on where you can make a difference (local).
6. Network with like-minded people (avoid isolation).
7. Don't compromise Biblical truth and morals.
