

## “WHAT IN THE WORLD IS GOING ON? Part II”

Pastor Mark Johnson

February 26, 2023

**INTRO:** This morning I will continue to expose some of the works of darkness going on in our world (Eph. 5:11; Col. 2:8).

- The Ukraine War – America should get out (Prov. 26:17)!
- The Border Crisis – America should secure her borders!
- The Climate Crisis has become a Cult. It’s not the planet that needs saving, it’s the people on the planet (Gen. 8:22)!

### I. COVID-19

•**What if I regret taking the jab? Mark 16:17-18!**

•**Most of what we were told about Covid were lies.**

1. The projected fatality estimates were grossly inflated.
2. The PCR Covid tests were and are a farce.
3. There was no true science behind social distancing, lockdowns and mask mandates.
4. Many hospitals gave in to corruption.
5. Effective alternative treatments were demonized.
6. *They* lied about the origin of the virus.
7. *They* lied about the effectiveness of the jab.
8. *They* lied: “*It’s a pandemic of the unvaccinated.*”
9. *They* lied about herd immunity.
10. *They* lied about natural immunity.
11. *They* lied about adverse effects.
12. *They* ignored the vaccine companies’ evil past.
13. Vaccine Mandates - immoral, illegal, & unconstitutional.
14. Ultimately this was all about money, control, weakening America and reducing the population.

**II. CENSORSHIP.** This is immoral and unconstitutional!

**III. LAWLESSNESS.** A result of not enforcing our laws.

•**What is *Their* agenda?** Fear, Division, Manipulation, Conformity, Control – so we will submit to *Their* agenda of bringing America into The Great Reset leading to The New World Order [as planned by the World Economic Forum].

•**What should we do about all this? [see last week’s notes]**

Stand up for and live out your God-given freedom in Christ (Jn. 8:36; Gal. 5:1; Luke 4:8; 1Cor. 7:23)!

**CONCLUSION:** Pray for America! Do your part!
