Pastor Mark Johnson

INTRO: Like a momma bear defending her young cubs, most mothers have that same protective instinct for their children. **They** are messing with your kids and it’s time for the momma (& poppa) bears to rise up and roar (Col. 2:8)! Critical Race Theory (CRT) & Transgender ideology are threatening your children’s wellbeing! It’s time to roar!

TRANSGENDER IDEOLOGY [remember compassion!]

1. It’s the false belief you can change your gender through self-identification, drugs and/or surgery.
2. God only created two immutable genders (Gen. 1:27-28).
3. It’s an attack on the female gender and womanhood.
4. It’s based on ignorance and deception.
5. Much of the trans community has become very militant.
6. To disagree brings attacks and being called a bigot.
 - A. To disagree is not the same as hate!
 - B. Why isn’t free speech and open debate allowed?
7. They’re trying to desensitize & promote pedophilia!
8. They’re trying to take your kids away from you!

TRANSGENDER FACTS

THE REAL SCIENCE

THE REAL TRUTH

DETRANSITIONER STORIES [They don’t want you to hear]

1. The Steven Richards story
2. The Ritchie Herron story
3. The Chloe Cole story

WHAT IS THEIR END GAME?

1. **They** want to destroy the family unit & society.
2. **They** want to remove gender-distinct identity.
3. Next will be pedophilia & transhumanism!
4. Financial gain.
5. Reducing the population.
6. Making citizens their slaves.

•If you can convince people that you can change your gender or that there’s no meaningful differences between the genders, you can convince them of nearly anything!
