

“DOCTRINES OF DEMONS - Pt. 2”

INTRO: Paul warned against surrounding ourselves with those who tell us what we want to hear rather than what we need to hear (2Tim. 4:1-5). Paul also warned us about giving in to doctrines of demons (1Tim. 4:1-2). Last Sunday we looked at eight characteristics of Doctrines of Demons. We also looked at several examples of false doctrines in the New Testament Scriptures and how to identify Doctrines of Demons. In today’s message, we’re going to expose a few contemporary Doctrines of Demons by focusing on the light of God’s Word, which is truth (Eph. 4:14-15; Jn. 14:17; Ps. 119:105, 130; Jn. 1:5; Acts 26:18).

CONTEMPORARY DOCTRINES OF DEMONS

1. Creation & Faith vs. Evolution & Atheism (Gen. 1:1, 26-28, 31).

In the beginning God created the heavens and the earth. (Gen. 1:1)

- A. The eternal nature of God (Gen. 1:1a).
- B. Atheism and evolution are doctrines of demons, and contradict the Bible (calling it a lie) (Jud. 17:6; Prov. 3:5; Isa. 55:8-9).
- C. God created the heavens and the earth (Gen. 1:1).
- D. God created mankind (Gen. 1:26-28, 31).
 - 1) Being created in the image & likeness of God and being given rulership over the rest of God’s creation is what gives human life sanctity [value].
 - a. Embracing the evolution & atheism doctrines of demons is to lose the basis for the value of human life.
 - 2) The truth is that God created only two genders – male and female.
 - a. Self-identifying doesn’t make it true, and to encourage such is to encourage a lie, which only results in bondage (Jn. 8:32).
 - 3) The truth is that God told the male & female to have lots of kids, and has never rescinded that mandate.
 - a. The belief that the earth can’t sustain the current population is a Doctrine of Demons!

2. God’s Creation & Definition of Family vs. Culture’s (Gen. 2:18-24; Mk. 10:6-9; Eph. 5:31).

- A. God’s Order for the Family (Eph. 5:22-6:4; Col. 3:18-21):
 - 1) Wives (Eph. 5:22-24, 33; Col. 3:18).
 - 2) Husbands (Eph. 5:25-33; Col. 3:19).
 - 3) Children (Eph. 6:1-3; Co. 3:20).
 - 4) Fathers (Eph. 6:4; Col. 3:21).
- B. Our current culture, motivated by communism, wants to dismantle God’s definition of family and God’s order for the family.

CONCLUSION: Let’s guard against doctrines of demons by shining the truth and light of God’s Word onto the darkness!
